**Color Blends**

Albany = red, brown, terra cotta; Antique = red, charcoal; Autumn = red, charcoal, buff; Bluestone = charcoal, gray, green; Canyon Creek = buff, charcoal, red; Earth = brown, buff, charcoal; Flagstone = charcoal, gray, buff; Granite = charcoal, gray.

**Due to color variations of pavers, it is advisable to remove them from the top to the bottom of the cube, versus removing by layers. When possible, install from 3 cubes at a time. When installing the Washington System, it is recommended that a layer of sand be spread over the surface to aid in the prevention of scarring. It is also suggested that a urethane foam pad be installed on the bottom of the plate vibrator.**

**Paver Set Up Charges**

The buyer must understand that if small quantities of Special Order Products are ordered or reordered, unit pricing does not include the cost of mold fabrication or set-up. Set-up charges will apply for mold switches or running of non-stocked colors.
