Description	Price Each
30" Model	1280.00
36" Model	1500.00
42" Model	1900.00

Emberlok is a simple way to build a high-end, all masonry outdoor fireplace and chimney. This smartly designed system installs in a matter of hours for less than half the cost of a traditional brick & mortar fireplace. And it enhances the value of any outdoor living space. Simply add cultured stone to complete the look. Firebox and chimney deliver on a single pallet. Set base plate on non-combustible foundation. Place centerbacks along rear of base plate and build smoke chamber. Install firebrick and veneer. Fireplace is complete. All models come with a 20 year warranty and a 100 year life expectancy.
